Bug Report (for TEST CASE 1)

A bug was found on 5/19/2023

Description:

Clicking on the "See All Bots" yields no results.

Steps to reproduce bug:

1. Navigate to http://localhost:3000/
2. Click "See All Bots" button at the top of the page.

Expected results:

- Should display all cards of the robots in the game.

Actual results:

- No items are displayed as if the button were not functioning. On the server end, it says that the array "botsArr" is undefined.

Environment:

1. Chrome - Version 113.0.5672.92 (Official Build) (x86_64)
2. MacBook Pro - 16in 2019
3. Processor - 2.4 GHz 8-Core Intel Core i9
4. macOS - Version 13.3.1 (a) (22E772610a)
